### Pastor Jonathon Min

Jonathan Min was born in California, raised in Georgia, but now resides in the state of Michigan. As a young teen growing up in a single parent home, he struggled with feelings of emptiness and struggled to find meaning in life. However, all along the way God was speaking to his heart. This call for a more purposeful life was found at Hartland College, where he double majored in Media & Theology.

Since giving his life to the Lord, he has taken part in literature evangelism programs, mission trips, and is now serving in the University SDA Church.
